**REVIEW OF STERILISATION PERFORMANCE
(UPTO MARCH- 2011)**

- I During the Financial Year 2010-2011 Tamil Nadu has performed 3,27,262 cases out of 3,65,000 Expected Level of Demand under sterilisation. There is a decrease of 19,194 Sterilisations, compared to the previous year corresponding period of achievement. The performance of Vasectomy is 2,172 as against 2,603 of the last year corresponding period and which is a declining trend.
- II During the year 2010-11, the ELD under sterilisation for the entire State was fixed as 3,65,000. **Kanyakumari District stands first in Sterilisation performance upto March 2011 followed by Erode and Virudhunagar Districts in the second and third rank respectively** against their ELD.
- III **The performance is less than 90% of Expected level of demand in Madurai, Theni, Thoothukudi, Cuddalore, Pudukkottai, Tiruppur, Villupuram, Namakkal, Chennai, Sivagangai, The Nilgiris, Trichirapalli, Thanjavur, Ariyalur, Salem, Thiruvannamalai, Karur, Dharmapuri, Nagapattinam and Perambalur.** All District officers are requested to collect the Family Welfare performance from all the Institutions every month without any omission. More number of camps should be planned and conducted effectively in the next Financial year.
- IV When compared with last year's (upto March 2010) sterilisation achievement, except few Districts like Thiruvarur, The Nilgiris and Ramanathapuram all other Districts have shown backlog. **Among the poor performing Districts Pudukkottai, Theni, Thirunelveli, Perambalur, Thiruvallur, Virudhunagar, Thoothukudi, Tiruppur, Vellore, Namakkal, Coimbatore, Cuddalore, Erode, Sivagangai, Dindigul, Madurai, Thanjavur, Krishnagiri, Villuppuram, Thiuvannamalai, Trichirapalli, Salem, Dharmapuri and Chennai Districts have shown huge backlog in sterilisation ranging from 200 cases to 3000 cases.** The involvement of District officers is very much required to improve the sterilisation performance in their Districts. Critical review should be conducted by the District officers and D.O letters should be sent to the medical officers of poor performing institutions to improve the performance.
- V **The performance of NSV is below 25 in Perambalur, Dharmapuri, Theni and Krishnagiri Districts.** Through effective and enhanced IEC activities and with the active involvement of all the staff members, more number of NSV and Laparoscopic camps can be organised with productive results in the NSV and sterilisation performance. The District Officers are requested to ensure the functioning of the operation theatres at Government hospitals and primary health centres throughout the year without leaving a single operation theatre idle in any month.
- VI The compensation amount should necessarily be paid to sterilisation acceptors before the discharge from the hospitals. The F.W programme should not suffer due to the non payment of the Surgeon/Anaesthetist/Paramedical fees or Motivator fees. The labor ward staff nurses and ANMs / HVs of Government hospitals should motivate the mothers with 2 and above children to accept tubectomy so as to improve the delivery coverage and also to reduce the Higher Order of Births and the Motivator fees should be disbursed by the first week of the succeeding month as per guidelines issued by this Directorate.
