If the highest mark secured by the student of State Board in Physics is 100 and the highest mark secured by a student of any other Board in the same subject is 90, both the highest mark will be considered to be equal to 100. If a student of the Other Board secures 60 marks in Physics when the first mark in Physics in the same board is 90, the 60 marks will be considered to be equal to 66.66 marks as arrived at below:-
